Real time number with report run.

How to Use MyData County Reports

- Recognize value and cost of data entry and quality control
 - Staff time to both enter and check
 - 4-H Online and MyData do communicate, but it is a manual monthly update.
- Watch the number of programs and contacts
 - Are activities following the plan
 - Are people attending the events
 - Where are there gaps

How to Use MyData County Reports

- Track month to month and year over year
 - What are patterns and trends
- Ask for more details on programs or delivery method
 - What, where, why????
- Understand how residents are served, in-county and virtual
 - How to compliment
 - Where to substitute

Other MyData Features

- Connects programs to catalog
- Connects planned events to website calendar
- Incentivizes reporting and thus reports
- More evaluation and outcome reporting

Summary

- MyData is a new tool and has more potential
- Recommended county reports are a start
- Customize Dashboard for your needs
- Can also answer the one-off question
- Ask for the MyData results
- More program information coming
