Events on Frederick

April 14 | Fairfield

Jefferson County Extension Office

Finance with Focus

The Iowa Extension Council Association is bringing the Extension Council Conference on the road in 2026.

Funding is a critical tool to advance our extension mission – providing education to everyday Iowans to improve their lives, businesses, farms, and communities.

Join us at this conference to...

- deepen your understanding of the extension budget,
- sharpen your financial literacy,
- and build confidence to discuss funding priorities with the taxpayers in your county.

Each mini-conference will be held from 5:00 - 8:30 p.m. including dinner, practical workshop sessions, and time to network with County Services leadership and other council members.

Visit iaextensioncouncils.org to register and view the agenda.
