

March 30, 2018

Iowa State University, Scheman Building

9:00 a.m. - 3:30 p.m.

Plan now to attend the extension council conference. Expand your knowledge and bring home valuable information. Connect with your extension council peers, county extension directors, regional directors, and other staff members. Experience engaging discussions and rich content as we work together cooperatively.

Plan to:

- **Learn** information to help you in your role as council members
- Identify strategies to **bring knowledge and resources** to the citizens in your county.
- **Share** successful ideas, as well as concerns and challenges, and connect with other council members across the state
- **Have some fun** and feel recharged about your important role in ISU Extension and Outreach

Conference highlights include:

- Small group **breakout sessions** including topics like county success stories, promoting extension, employment law, and best practices for staff management
- **Update from John Lawrence**, Vice President for Extension and Outreach
- Attend the **Idea Fair** to find out about program opportunities, services available for councils, and talk to IECA vendors.
- Time for **networking**

See you there!

The Iowa Extension Council Association Conference Planning Committee is committed to ensuring the conference is informative, engaging, and enjoyable.
