The Legislative Insider is an opportunity for participants to learn and experience the legislative process. Participants will meet with legislators, hear from elected officials, network with one another and participate in workshops about youth action, civil discourse, and youth-adult partnerships. Lunch will be provided for those who pre-register.

Who should attend?

- County extension council members
- 4-H members in grades 8-12
- Extension and Outreach supporters
- Extension and Outreach staff

Each county is encouraged to send at least one participant to share the work happening in Extension and Outreach with decision-makers at the Capitol.
